★ OUTSTANDING CAMBRIDGE LEARNER AWARDS

The Outstanding Cambridge Learner Awards recognises exceptional achievement in Cambridge Exams. This event was held on Saturday, 25 January 2025. Out of 82 top students in the Top in the World category for various subjects, two of our students Jyotirmay Bhadech and Siyona Gupta secured a perfect score of 100/100 in Mathematics at the IGCSE Examinations 2024. Proud moment for MBIS!!!

★ **LOWER SECONDARY**

Gr. 6 - Global Perspectives - Nature Detectives!

To strengthen the skill of analysis, learners of grade 6 had to observe a picture and identify the issue depicted. Based on the picture shown, learners were given three questions to research on. For this activity, they were divided into three groups. Group 1 researched on why tackling deforestation is important for slowing climate change. The other two groups researched on the impacts of deforestation on birds and the effect of deforestation on the climate. The information gathered was assembled on the chart and presented in the class. Through this activity learners showcased the Cambridge attributes of collaboration, communication, research and analysis.

Grade 8 - Humanities - Exploring India's Progress

The group activity was aimed to educate students about India's growth and development while fostering teamwork, research and presentation skills through the topics assigned as follows:

1. Scheduled Tribes in India: Policies introduced by the government for the upliftment of scheduled tribes.
2. Status of Women in India post-independence: Investigate the progress made towards women's empowerment and equality since India gained independence.
3. Economy of India: Examine India's economic growth, challenges, and achievements since independence.

MISA Synergy: Interschool Science Exhibition and Competition

Learners of MBIS showcased their science project “Hydro Aero Volt” which was based on the theme – Indigenous technologies for sustainable Development under MISA synergy which took place in Hiranandani Foundation School Powai.

Numerous schools took part in the MISA Synergy scientific project showcase where every initiative was highly technical and concentrated on developing technology without endangering the environment. We bagged third prize among 25 schools and 43 projects

BEYOND CLASSROOM

★ PRIMARY

Education Excursion to Statue of Unity. Grades 3 to 5

Students from grades 3 to 5 embarked on a three-day, two-night educational excursion to the iconic Statue of Unity. Traveling in comfort aboard the Vande Bharat train, they explored the world's tallest statue and marvelled at its grandeur. The children had an exciting and enriching experience, visiting the Jungle Safari, Glow Garden, and the mesmerizing Laser Show. They also actively participated in engaging group activities, fostering teamwork. The trip was a perfect blend of learning and fun, leaving the students with cherished memories and a deeper appreciation for India's heritage.

BEYOND CLASSROOM

Annual day Celebration: Pre Primary, Primary, Lower Secondary, IGCSE [Grade 9] and AS Level: KAINOS: Celebrating Change, Shaping the Future

Our Annual Day celebrations was a spectacular showcase of talent, vision, and transformation. The event began with a warm welcome to our esteemed Chief Guest, Ms. Kavita Kerawalla, Vice Chairperson, VIBGYOR Group of Schools, Guest of Honour, Shri Vinodkumar Bajaj, along with President Shri Ashok Saraf, Hon. Treasurer Shri Lalit Saraf and Trustee, Ms. Archita Rajpuria. Embracing the theme Kainos: Celebrate the CHANGE within you, the Pre-Primary and Primary students beautifully depicted the journey of the bird kingdom, delivering a powerful message on adaptation, perseverance and resilience. The Lower Secondary, IGCSE-Grade 9 and AS Level students captivated the audience with their portrayal of India's evolving perspectives, illustrating how change drives national progress. Enthralling choir renditions, mesmerizing dance performances showcasing diverse cultures, and thought-provoking skits on new beginnings added depth to the celebration. The highlight of the evening was the school's annual report, uniquely presented in poetic form through an audio visual presentation, by our Principal, Dr. Padmajaa S Kutty. The Chief Guest engaged with the audience by addressing insightful questions from parents, followed by the felicitation of our star achievers. The event concluded on a high note with a grand finale dance that inspired and uplifted the audience.

★ IGCSE-Grade 9 and AS Level:

National Youth Day Celebration with Chief of Defence Staff- General Anil Chauhan organised by IIMUN

Learners of Grades 9 and AS Level participated in I.I.M.U.N'S National Youth Day to commemorate the contributions of the great spiritual leader, philosopher and thinker - Swami Vivekananda. The event that witnessed the attendance of around 800 young minds from across the city, commenced with the National Anthem by Indian playback singer and composer, Shantanu Mukherjee, followed by a welcome address by the Chairman of Piramal Group, Mr. Ajay Piramal. He spoke about the significance of National Youth day and emphasised on the contributions of Swami Vivekanada. General Anil Chauhan, the Second Chief of Defence Staff of India shared leadership lessons from the forces and the role of youth in nation building. He spoke about the unique DNA that the Indians are blessed with, which has helped them to scale greater heights in fields ranging from sports to technology. He emphasised on the fact that in the near future, cognitive ability will be more important than physical ability. The powerful speech was followed by a Q&A session where the learners got an opportunity to interact with General Anil Chauhan.
